President-

We gave the ~~Regulations by Court~~ the necessary information asked for based on 1903. The Board passed the resolution on 7th March/04 and the President asked this reference to date as 28th April/04. His letter is not very clear. The Board's observations are only for a trial for three months - April to June/04 - The first two months have nearly expired. As the spirit of the order proposed I am agreeable if on enquiry it is found that the Board are for the permanent Rule of a Vaidya Lala - To avoid further loss of time a D.O. enquiry may perhaps be made before the order is issued - C 23/5/04
